1. On 25 March 1953 administrative and military authorities expropriated 41 hectares of arable land in the village of Krepa (Krampf - 052/B65), in the Przemkow community, Szprotawa district. The land is to be converted into an artillery range.
2. The evicted owners were not given an equivalent in land, but were paid in cash at such a low rate that they are unable to purchase other land. The authorities suggested that they should join the local agricultural cooperative, giving their cash, instead of land, as their share.
